

2014 SONOMA COAST ROSÉ

A fresh, delicate, and lively rosé handcrafted from 100 percent Sonoma Coast Pinot Noir. Slowly fermented in cold stainless steel, with 40 percent aged two months in neutral oak. The resultant wine exhibits the sweet and ripe berry highlights of Pinot Noir, but with bold, bright cherry and strawberry flavors and hints of wild, woody herbs. A refreshing acidity sharpens the fruit and leads to a lingering, crisp finish.
